13. If separate work shop conference for judicial officer is organized with no participants from higher judiciary; only NJA faculty/ Resource Persons perhaps many more things may come in open discussion/ interactive session.
14. Participant did not comment.
15. Please have 2-3 days of programmes so that officers visiting from far away may understand their fellow colleagues and have a better insight of problem and solutions may be discussed accordingly.
16. Participant did not comment.
17. Participant did not comment.
18. Better interactive session. Case management for subordinate court.
19. Course duration need to be increased.
20. Such conference may be made more frequent and the matter discussed may be outlined for better working of institution.
21. Such programmes always be organized.
22. NJA should organize more such conferences.
23. NJA is serving better.
24. Participant did not comment.
25. National Judicial Academy is doing well.
26. NJA should involve more judicial officers and call them at Bhopal.
27. NJA should involve more judicial officers and call them at Bhopal.
28. Programme were very useful and in future also we look for such programme which enlighten us with the progress being made in functions of court on daily basis.
29. These type of conference are very helpful for making our view broader. Provides us opportunity to hear such Resource Persons.
30. NJA is already doing its job excellently. Similar future programme would always benefit the officers.
31. I am fully satisfied by this programme.
32. Focus more on practical aspects and problem faced by judges at district level.

	<p>33. Advance supply of reading material (online formats). Intimation about expectations from the participants.</p> <p>34. Doing an excellent and great job elaborating in a urdu couplet - Be it a small group or long Assembly. It has been this practice from long time. Whenever we needed light NJA a lit lamp and made it bright.</p> <p>35. None.</p> <p>36. To have one on one sessions with participants so that ground reality and challenges can be discussed. Lawyers may be sensitized too as they openly threaten the judges with respect to their promotion.</p> <p>37. It has to be conducted on the regular basis.</p> <p>38. These kind of conference are to be held regularly as during debates with other participants a solution of our problem is found.</p> <p>39. The programme may be for 6 days so that other aspects can also be discussed and participants can interact with each other and discuss their problem and get new ideas to deal with our cases.</p> <p>40. Participant did not comment.</p> <p>41. No suggestions.</p> <p>42. Time period of programmes needs to be enhanced.</p> <p>43. Participant did not comment.</p> <p>44. Regular programmes of the like nature help us via interaction with others; we must endeavour at the national level also so as to have greater interaction and benefit accordingly.</p> <p>45. Cover the topics related to the working of subordinate court; Workshop pattern be included; Some topics like appreciation of evidence (In civil &amp; criminal should be expanded.</p> <p>46. Questionnaire based information can be collected and utilized in programme; Lengthy programme with more decentralized interaction.</p> <p>47. Services were good enough.</p> <p>48. Participant did not comment.</p> <p>49. Programmes may be done regarding demerits of video conferencing (For remand purposes especiallyailable cases/Petty cases) Sec. 436 Cr. PC provision.</p> <p>50. None</p>
